LEAVES GREEN DESIGN

PRODUCT SPECIFICATION

Cheer up any room

Leaves are colourful decorations with a lithium magnet. They were originally designed for the Boijmans van Beuningen Museum. Leaves will stick to anything made of steel thanks to their lithium magnets. Leaves can liven up many things, your office's dropped ceiling for instance, or a radiator or magnet board.

Designer

Richard Hutten

Dimensions

Large box: 30 x 21 x 2,5 cm (45 items)
Small box: 12 x 12 x 2,5 cm (15 items)

Materials
